(2)	I find by a preponderance of the evidence as to risk of flight that:			
	The defendant has no significant contacts in the District of Arizona.			
	The defendant has no resources in the United States from which he/she might make a bond reasonably calculated to assure his/her future appearance.			
	The defendant has a prior criminal history.			
	There is a record of prior failure(s) to appear in court as ordered.			
	The defendant attempted to evade law enforcement contact by fleeing from law enforcement.

The Court incorporates by reference the findings of the Pretrial Services Agency which were reviewed by the Court at the time of the hearing in this matter.

#### **PART III -- DIRECTIONS REGARDING DETENTION**

The defendant is committed to the custody of the Attorney General or his/her designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States Marshal for the purpose of an appearance in connection with a court proceeding.

#### PART IV -- APPEALS AND THIRD PARTY RELEASE

IT IS ORDERED that should an appeal of this detention order be filed with the District Court, it is counsel's responsibility to deliver a copy of the motion for review/reconsideration to Pretrial Services at least one day prior to the hearing set before the District Court.

IT IS FURTHER ORDERED that if a release to a third party is to be considered, it is counsel's responsibility to notify Pretrial Services sufficiently in advance of the hearing before the District Court to allow Pretrial Services an opportunity to interview and investigate the potential third party custodian.
